Well, **fear not**—because now, for the first time ever, YOU can bring the **power of DARVO** into your very own home!

### Introducing: DARVO—The Home Edition!

- *"You're so aggressive—why are you attacking me?"*
- *"You need therapy, not me."*
- *"You're making a fool of yourself right now."*
- *"I bet you treat all your relationships like this."*

◆ **Reverse Victim and Offender:** This **state-of-the-art victim costume** lets you **instantly** transform from an **accountable adult** into a **fragile martyr!** Comes with **pre-written scripts** such as:

- *"I was only trying to help, but you just want to hurt me."*
- *"You've really shown your true colors."*
- *"I was being so patient, but you pushed me to this."*
- *"You just love to see me suffer, don't you?"*

◆ **Gaslight-Proof Mirror:** Tired of **self-reflection ruining your day?** This special **one-way mirror** ensures that no matter how much evidence is presented, you will **only see what you want to see**—which is, of course, *a faultless, misunderstood genius surrounded by haters.*
