I'll take care of it.

Kris

Kris,
Per our agreement, the Marlow lifetime family membership does not seem to have gone into effect. I just received my credit card statement and I am still being charged a monthly dues. Please see if you can get the files updated correctly. If you need me to do something, just let me know.

I will simply add the mischarges to the reimbursables I am logging to simplify the paperwork.
Thanks,
John
