Please vote in the nominees for the 3 new DPRG-Makerspace Steering Committee members. The deadline will be the end of the meeting this Thursday (20101007). Either send your vote to this list or contact a member who can give your vote in proxy at the meeting when we hold the vote.

The following Makerspace members are our nominees.

Eric Chaney
Mark Havens
Andrew LeCody
Steve Rainwater
Gus Reiter

To recap, the Steering Committee's purpose is to act as the group that can create standing rules (until the by-laws and 501c3 are in place,) create sub-committees, coordinate and recommend by-laws, charters, etc, and also have the authority to spend money (or delegate out moneys) [1]!

Thanks!
Peter

Does each person get to cast one vote or three votes?

Effectively 3. There are 3 spots open, with 5 candidates. Basically, who do you think should take the 3 seats?

Good question btw!

Well, believe it or not we have a tie. I'd like anyone who hasn't voted yet to please send something in!

Thanks,
Peter
