# **Firearms Rules Discussion**

• Jun 5, 2021

It isn't. I make holsters and have had booths at gun shows and shows where you can carry. I have had too many LTC carriers to count that have flagged me and others with weapons because they wanted to show me their pistol. In some cases the weapons were loaded. It's much more common than you th...

## Show and Tell May 2021

• May 12, 2021

I finally finished this. My first all original armor piece. Built a mold of myself and made a pattern. Digitized it and cut this out on Big Thunder a few months back. Finally got a chance to finish it. [EE932CA2-A9E4-4218-BBAF-0F4D8D50F11C\_1\_105\_c] [A407EBC8-55DF-489E-AD48-D84918596AEA\_1\_105\_c...

Here is my latest painted pen. Cast in clear resin. Trying out different effects. [rainbowpen1] [rainbowpen2]

• Apr 27, 2021

This thread makes me hungry. Here is a Bison ribeye from the other day. [C54BEEDD-8350-4883-9672-4BB9FD576990\_1\_105\_c]

## **Firearms Rules Discussion**

• Apr 24, 2021

This is the kind of thinking that breeds complacency. If a gun is out and not dissembled then a chamber flag should be required. As people enter the building and take them out of bags, off their shoulder if slung it should be easily apparent that the weapon is clear and unloaded. Weapons that ar...

## **Firearms Rules Discussion**

• Apr 24, 2021

If the rules for this to change some things to consider. No ammunition what so ever should be allowed. Members should have to use chamber safety flags at all times. No exceptions. Too many accidents happen because someone thinks a gun is unloaded. Violations of the rules should be severe. Co...

## **Pen Turning Equipment**

• Dec 13, 2020

Thanks for the run down. I think you have convinced me to pick up a few things of my own.

## **Pen Turning Equipment**

• Dec 12, 2020

I am. Training was a long time ago. Never had the need for these before.

## **Pen Turning Equipment**

• Dec 12, 2020

Thank you, where is the equipment stored?

## Laser Update - Fusion, Donner and Ethernet

• Nov 24, 2020

What are people clicking on? I swear you can bypass that announcement and still get it to work. Have done that on my laptop before. If I remember right one of the buttons will kick you out.

## Is Center open thanksgiving day?

• Nov 24, 2020

Yes, the facility is open 24/7.

Skip to profile content

• Nov 11, 2020

<sup>^</sup>This, helped do a floor with cedar last century. The key was sealing it. I wish I could remember what we used. It was harder than poly. Took a while to finish properly. Looks fantastic when done.

## Who TF is doing this?

• Nov 1, 2020

Thanks for coming forward.

## Who TF is doing this?

• Oct 31, 2020

This is unsat. Whoever is doing this needs to come forward and explain why they didn't put it back when they were done. At the very least.

## Air brush on metal

• Oct 28, 2020

You can get a primer for airbrush as well. Primer will be your friend. Createx has good paint and primer you can thin for an airbrush.

## **Bronze Belt Buckle Casting**

• Oct 15, 2020

Thanks, I'll check those places out. I need to find another caster that is based in the US.

## Looking for leather recommendations

• Sep 27, 2020

https://frogjellyleather.com/ They are in Arlington and have a "showroom".

## Does VCarve Pro software work with Thunder Laser software

• Sep 20, 2020

You can, Lightburn will import svg and jpeg files. I wouldn't. Learn Illustrator and then you can use those files with the Laser software and VCarve.

## **Drone building class**

• Sep 19, 2020

I would be interested.

## Show and Tell September 2020

• Sep 16, 2020

Imagine that, more Jarhead stuff. Got a request for a water bottle holder and ended up making 4 of them. Design the pattern and cut and engraved them on the laser. Two pieces of leather and hand stitched. [D4F17C22-D94A-449F-ACFD-7BA3F36D07AD\_1\_105\_c] [81712E27-FD87-46B7-8657-4117D90562EA\_1\_105\_...

## Parking and use of the parking lot behind DMS

 $\sim$ 

 $\sim$ 

• Sep 12, 2020

That was more than an oil change. They were also told it can't stay there. Then they made a mess and didn't clean it up. At the very least if you're going to break the rules you better not be an ass at the same time.

## Dye sub training?

• Sep 11, 2020

I wouldn't mind getting trained as well. I'll keep an eye out for a class.

## Fusion Key which one?

• Sep 11, 2020

The key in the box.

## **Multi Cam training class**

• Sep 10, 2020

Just to add, there are, or were, two pieces for certification. A class, that typically had 10 or so people in it. Then you have home work and need to schedule a time with an instructor to test out. I don't think that has changed.

## About the Woodshop?

• Sep 10, 2020

The Felder is working. There may be interruptions for various activities taking place.

## What do you think caused this?

• Sep 8, 2020

Not really, we have a responsibility to abide by the rules and to treat equipment and each other with respect. If you can't do that then you shouldn't be a member. If someone points something out to you if you should behave like an adult and listen to what is being said. If a rule or mistreatmen...

What 3D printer would you buy for home use?

 $\sim$ 

 $\checkmark$ 

 $\sim$ 

• Mar 31, 2020

Can I tag along with the question, "what 3D printer would you get if you needed a large format 3d printer? Say something that is at least 11x11"."

## Kevin Patel Statement of Intent BOD 2020

• Mar 30, 2020

I expect all candidates to directly answer questions that are asked. Whether they like the question or not. Saying, you go figure it out, think harder, completely ignore, or add your own b.s. here, is a strike against for me.

## Video white board?

• Mar 30, 2020

I used Miro a while back. It's decent enough depending on how many people you need to edit it. Outside of GoTo Meeting and WebEx I don't have experience with others.

## **Door Handles for Covid**

• Mar 30, 2020

When all you have is a hammer everything looks like a nail. : D I'm guilty of this too.

## **Door Handles for Covid**

• Mar 29, 2020

Don't the let facts get in the way of a good meme. **U** [spacepen]

## Mark Haven Statement of Intent BOD 2020-2021

• Mar 28, 2020

 $\sim$ 

He still hasn't answered part of my question. Inspection usually means that people can check to see that you are doing what you say. Not get a copy for your own use. Those things are mutually exclusive.

## **ASK The Candidates: 2020 Edition**

• Mar 27, 2020

Here is a question for all candidates. Having only been around a short time it is clear to me that the previous board created trust issues within the membership and has had lasting effects. As a candidate for the board what have you done and what will you do to repair this damage to gain the trust...

## **BOD 2020 Patrick Thompson SOI**

• Mar 26, 2020

@patrickpleez1 Outside of Dallas Makerspace what other roles in leadership or management have you held?

## Mark Haven Statement of Intent BOD 2020-2021

• Mar 26, 2020

@mrhavens What was the reason for you to stop perusing this. Do you still feel the information you were requesting should be available to all members?

## Mark Haven Statement of Intent BOD 2020-2021

• Mar 26, 2020

What was the outcome of this charade?

## Airbrush paint question

Skip to profile content

• Mar 26, 2020

 $\sim$ 

 $\checkmark$ 

I haven't seen that in a specific airbrush paint. You'll be fine if you thin it well. You could also use an airbrush paint and then get a satin clear coat to put on it.

## Airbrush paint question

• Mar 25, 2020

Make it the consistency of milk and you should be good to go.

## Joe King Statement of Intent BOD 2020

• Mar 25, 2020

I don't. It is a binary question. You haven't answered it. The information is there for you to review. I expect every candidate should and would do that to best answer the question.

## Mask production

• Mar 25, 2020

I think this has been answered in another thread. No, it would violate the orders in place and jeopardize the space.

## Joe King Statement of Intent BOD 2020

 $\checkmark$ 

 $\mathbf{\vee}$ 

#### • Mar 25, 2020

Bingo. The question has been asked and the information is available for you to make decision. It doesn't appear this is being done. At this juncture it is a valid question to answer.

## Max Kirkland Statement of Intent BOD 2020

• Mar 25, 2020

So all we know is the connector was swapped out but no real evidence as to who did it? Just assumptions and accusations?

## Max Kirkland Statement of Intent BOD 2020

 $\checkmark$ 

• Mar 25, 2020

I'll admit I'm having a hard time following this one with all the different statements. What factual evidence exists for this issue?

## Looking for CNC project advice

• Mar 22, 2020

That's very interesting. I could execute against the acrylic/laser idea much quicker. Looks like I have my isolation project this week. Come up with a Laser cutting scheme.

## Looking for CNC project advice

• Mar 22, 2020

That sounds like fun. I'm not sure how I would get a mold of it.

## Looking for CNC project advice

• Mar 21, 2020

I was kinda wondering about the cost. I was also thinking the weight would be substantial. I like the idea of 3D printing a jig. Thanks!

## How will closure effect monthly dues?
